

Academic Seminar *Event 3*

Hosted by University Alliance of the Silk Road

XJTU-Polimi Dialogues in Civil and Environmental Engineering

Prof. Donatella STERPI / *Geotechnical Engineering*

Energy Geostructures and Factors Impacting Their Performance

Prof. SUN Zhonghao / *Geotechnical Engineering*

Pore-Scale Understanding of Flow and Capillary Phenomena in Porous Media

Prof. CHENG Yan / *Atmospheric chemistry*

Spatiotemporal Characteristics of Ozone and the Formation Sensitivity over the Fenwei Plain (FWP)

Prof. Stefano CERNUSCHI / *Environmental Engineering*

WtE Air Impacts Evaluation

Organized by: Prof. Gabriella BOLZON and Dr. ZHANG Jinghua

12:00 Milan Time and 19:00 Xi'an Time on 26th March 2025.

On Microsoft Teams. Meeting ID: 317 112 223 467. Passcode: V9Un9ZV3.
